Dear Dr. HamimatusZainiyah

Greetings for the day!

I would like to know your interest and time in submitting an article for the upcoming issue of 2018.

You can also submit Research/Review/Case reports/Image articles.

I would appreciate receiving your proposal on or before November 30, 2018. You may submit your paper as an attachment to this mail.

Let me know your interest.

With regards

Emily Geller

Dear Zainiyah,

Reviewers have now commented on your paper. You will see that they are advising you to revise your manuscript.

For your guidance, reviewers' comments are appended below.

Please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript.

Your revision is due by Nov 13, 2018.

To submit a revision, go to <https://alliedacademies.editorialmanager.com/> and log in as an Author. You will see a menu item call Submission needing Revision. You will find your submission record there.

Best Regards,

Editor

Biomedical Research

Reviewers' comments:

Reviewer #1: The study is very interesting

I have only 3 comments

1. The language of the paper needs revision
2. Please revise the abbreviation all over the manuscript as some of them were confusing
3. Are there any limitations of the study? Please add.

In compliance with data protection regulations, please contact the publication office if you would like to have your personal information removed from the database.
